LUTHER HIGH SCHOOL

Keeping Christ in High School Education

ROBOTICS

This past March, in Peoria, IL, Luther High School's Robotics Team - igKnighthion 4021 - competed in their most successful tournament yet! Team 4021 roared through the qualification rounds finishing with a record of 9-1. During the tournament igKnighthion's robot lit up the scoreboard securing the 2nd team ranking out of 40. In playoff competition igKnighthion and their alliance won the first round in a best-of-three thriller. However, the championship charge ended in the semi-finals with a 2-1 loss. Despite not advancing to the National Competition, igKnighthion was proud of how their season ended. Thanks to all who contributed to this year's great success! Some of our students will take their talents and gifts in programming and robotics to the next level as they continue to pursue these fields at college. God has richly blessed our school with students and mentors dedicated to excellence in robotics.

GROUND BREAKING

Please join us on Sunday, May 15, 2016 (stay tuned for times) in the ACE Gymnasium at Luther High School for a ground breaking celebration for phase 1 of the Rise Up & Build project. This is a very exciting time for Luther and we would love for you to be there as we start this new venture!

FROM THE DEAN'S DESK

People are very safety conscious today. We buckle up in our cars and our children wear helmets as they ride their bicycles. We pay attention to the color of terror alerts. Schools and work places practice safety procedures in case of armed intruders. We want some assurance that we are safe. But how do we avoid accidents? How can anyone be sure precautions will prevent the next terrorist attack or school shooting? Humanly speaking, no one can give us that guarantee. But we do have a guarantee of safety from our God. Jesus spoke these words, "My sheep listen to my voice;

"My sheep listen to my voice; I know them, and they follow me. I give them eternal life, and they shall never perish; no one can snatch them out of my hand"
John 10:27,28

to serve our eternal good. With those safety measures in place, we live confident Christian lives looking forward to heaven, the place of eternal safety. Remember, you are in good hands – God's hands!

~Pastor Jon Biltz, Dean of Students

**"We Preach
Christ Crucified"**
1 Corinthians 1:23a

Jr. Knights Football

Registration for Jr. Knights football is underway for the fall 2016 season. Boys in 7th and 8th grades (2016-17 school year) are eligible to participate. The season runs from mid-August through the first week in October. With the exception of the first week of the season, a maximum of three days of activity are normally scheduled. A typical week includes 1 game

and 2 practices, with one of the practices on Saturday morning.

Registration forms may be found using the link to Jr. Knights on the athletic web page.

For more information, contact Coach Curt Greeno at cgreeno@dynamicrecycling.com or call 608-792-4369.

LUTHER LIGHT

COMING UP...

The Luther Light for April is Anna Hemmelman, daughter of Jeff & Pat Hemmelman from Winona, MN. Anna is a member at Goodview Trinity Lutheran Church in Winona and prior to Luther she attended St. Matthew's Lutheran

Grade School in Winona.

While at Luther, Anna has participated in Tennis (9-12, Coulee Conference Player of the Year 11, 12, State Qualifier 11-12), Basketball (9-12), Softball (9-12) & was selected as Luther's WIAA Scholar Athlete Nominee. She has also been a member of Band (9-12), Pro-Life Knights (9-12) & NHS (11,12).

Outside of school, Anna enjoys playing the flute & piano for church and helping teach Sunday School.

In her spare time, she likes being active, watching movies, going to Target and hanging out with family & friends.

Anna plans to attend Martin Luther College in New Ulm, MN focusing on elementary education & special education.
