

The image shows a decorative book cover. At the top, a purple ribbon with a gold border curves across the frame, containing the word "Welcome" in a gold, serif font. Below the ribbon, the text "to..." is written in a small, black, serif font. Underneath that, "The Big Knight" is written in a larger, black, serif font. The main title, "A KNIGHT IN THE OLD WEST", is centered in a large, bold, black, serif font. The entire text is enclosed within a diamond-shaped frame with a gold border and intricate scrollwork. The background is a textured, gold-colored surface with floral patterns.

Thank you for supporting the students of Luther High School by attending the 8th annual Big Knight! Please consider bidding generously tonight to support this important cause! The majority of the proceeds from our event tonight will ensure that more students will continue to have the opportunity to have a Christ-centered education and attend Luther High. Monies raised tonight will go into the Tuition Assistance Fund (which will benefit students already next school year) and \$10,000 will fund a digital sound board.

How tuition assistance is granted:

Tuition assistance requests are submitted to an agency called TADS Grant and Aid Assessment Service.

TADS submits an assessment to Luther High.

A tuition assistance committee at Luther awards financial grants based on the information supplied by TADS and the applicants.

Special consideration is given to cases of exceptional need.

The Tuition Assistance Fund is funded by gifts from The Big Knight, The Good Steward Store, The Friends of Luther & individual people.

All applications are kept in strict confidence.

Tuition assistance applications are submitted on an annual basis.

L16: FUND A STUDENT

Some of you may have come tonight for a great meal. Some came to see old friends and some of you came in hopes of getting a specific auction item. Those things aside, everyone here has come together tonight for a common goal...to support the students of Luther High. This is your opportunity to do so...

We introduced our “Fund A Student” at The Big Knight two years ago and the response was both heartwarming & overwhelming! Our guests opened their hearts to the students of Luther High School and generously gave while receiving nothing in return. In approximately 5 minutes, \$8,000 was raised in 2014 & \$25,000 was raised in 2015! What a blessing! Thank you for your generous support!

Thank you to our
Platinum donors!
