

Come Check out Luther High School's Trap Club!

Luther's Trap Club is proud to announce that we are getting ready to start another season at the Gunslick in Holmen. We are supported by the Gunslick. Beginners are welcome and no experience is needed but shot guns and shell carries are. If you are not sure what equipment to get then come on out and check out the equipment our current trap shooters use. Trap is an individual sport but our club stresses team building and fire arm safety. Our fall season starts this Sunday, September 13 from 1:00-3:00 PM and runs for six weeks. The season dates and address are listed below. If you have any questions please reach out to Chad Johnson at 608-386-6657. Hope to see you there!
